ABOUT ABRF

The ABRF is a self supporting, academic and research associated body. It is basically non-profit and Non- Government Organization with following aims and objectives:

1. To provide a common platform for scientists associated with biological sciences to interact with one another for mutual benefit and to enhance the innovative knowledge on the subjects.
2. To provide an opportunity among the Biologists to share the Academic, Research, and other related vistas and experiences.
3. To encourage, facilitate and perform the activities related to conservation of water, nature and biodiversity.
4. To promote and motivate the cleanliness, good health, nutrition, human values to achieve the inclusive and sustainable development of rural and urban societies.
5. To organize seminars, symposia, workshops, brainstorming sessions, lectures, and summer/ winter schools to aware and educate the people on blazing environmental and social issues in the larger interest of human and humanities.
6. To promote the new scientific knowledge that has emerged from recent advances and to felicitate the persons and organizations internationally for their outstanding services rendered in basic, applied and modern biological sciences including all branches of Botany, Zoology, Agriculture, Veterinary Science, Environmental Science, Molecular Biology, Biotechnology, Biochemistry Bioinformatics, Microbiology, and so on.
7. To collaborate with National and International Institutions, Government and Non Government Organizations, Schools, Colleges, Institutions, Universities, Private and Public sector Industries to achieve the objectives of the ABRF.

LIFE MEMBERSHIP

The ABRF life members are intellectual pool of this organization. The ABRF offers life membership (MABRF):

1. Applicant should attain a minimum age of 18 years at time of applying.
2. Applicant should be at least graduate with Biological Sciences / Life Science/ Agriculture/Botany/Zoology. However, graduate from other related branches including, Environmental Science, Molecular Biology, Veterinary Science, Bio-informatics, Microbiology, Biochemistry, Biotechnology, and so on may also become a life-member.
3. Life membership form can be downloaded from: <http://www.abrf.org.in/lifemember.php>
4. It is mandatory to attach address proof with the duly filled life membership application form.

Benefits of Life Membership:

1. Coloured testimonial with photograph for life membership; entitled to suffix MABRF after his/ her name.

ABRF AWARDS

The ABRF confers following categories of awards and honours of international repute through search and nominations:

- 
1. ABRF Lifetime Achievement Award (above 57 years of age).
 2. Hon. Fellowship/ Fellowship (FABRF).
 3. ABRF Excellence Award for Environmental/ Agricultural/ Botanical/ Zoological Research.
 4. Outstanding Extension Professional/ Agriculture Scientist/ Social Services Award.
 5. Best Teacher Award for Agricultural/ Botanical/ Environmental/ Zoological Innovations.
 6. Eminent Ichthyologist/Geneticist/Ecologist/Parasitologist/Cytologist/ Plant Pathologist Taxonomist/Anthropologist/Environmentalist/ Entomologist/Physiologist/Biotechnologist Award.
 7. Senior Botanist/ Zoologist/ Biochemist/ Scientist/ Environmentalist Award (above 45 years of age).
 8. Innovative Botanist/Zoologist/Scientist/ Environmentalist/Agriculture Scientist/ Biotechnologist/ Extension Professional Award.
 9. Innovative Biologist Award for Wild Life/Biodiversity Conservation.
 10. Vigyan Ratna Puraskar (No age bar).
 11. Paryavaran Shri Samman (No age bar).
 12. Young Botanist/Zoologist/Scientist Award (below 30 years of age; mainly for research scholar)

GUIDELINES FOR ABRF AWARDS:

Only ABRF Life Members are eligible to apply for awards. Each award consists of a multicoloured award certificate, a potted plant and a high quality memento. The award selection is based mainly on API that will be examined and evaluated along with biodata by a high power award selection committee. For more detail information please log on to: <http://www.abrf.org.in/awards.php>
